## **HORSEMANSHIP 1** (Mornings)

This class will focus on strengthening the foundation work needed to progress both horse and rider. It will cover basic groundwork in preparation for riding, and then continue those lessons into the saddle. Joe will work with each horse and rider to help them progress as a team and to address any issues they may encounter. This class is ideal for green riders, green horses or older horses that might benefit from a different training approach. Riders of all levels and all disciplines are welcome. Tuition is \$600.00 USD per horse and rider.

## **HORSEMANSHIP 2** (Afternoons)

This class will focus on refining the skills needed to further advance riders toward their goals, whether on a ranch, on the trail, or in the show ring. Joe strives to help riders understand things from the horse's point of view so that together they can accomplish whatever is required of them. The class is geared to the individual needs of each horse and rider and will include working with trail obstacles and other challenges to develop new skills and a deeper understanding of the horse/human relationship. Experienced riders of all disciplines are welcome. Tuition is \$600.00 USD per horse and rider.

Enrollment is limited. Pre-registration is required with a 50% deposit.
