Additional Considerations

- Your deposit holds your spot. You must complete and return this application form with your check or after making an electronic payment.
- Your final clinic payment is due two weeks prior to start of clinic. All clinic deposits are non-refundable and non-transferable.
- You must be 18 years of age or older to participate, unless pre-approved by Joe Wolter Clinics.
- All horses must have a current negative Coggins Report and out-of-state horses must also have a Health Certificate.

- Please bring your own buckets and enough hay and any other feed to last the length of your stay.
- No video recording is permitted during any part of the clinic. This involves the use of any recording device, including cameras, tablets and cell phones.
- You are welcome to take still photographs.
- Smoking is not allowed on the ranch.
- Dogs are discouraged, but if you must bring a dog it will need to be confined at all times.
- Ranch clinics involve riding outside the arena in varied terrain. If you are not comfortable doing this, please let us know your limitations.
- Clinic size is limited to allow individual instruction, although at times you will be expected to work with your horse independently.
- We will have a BBQ at least one night during each clinic, depending on length. Otherwise you will need to prepare your own meals. The bunkhouse has a full kitchen and there is a small grocery and a few restaurants in Aspermont three miles away. We can also direct you to additional shopping and more dining selections in other towns a little further away.
- Please plan to arrive before dark on the day prior to the start of the clinic.
- Clinics generally start at 9am and continue until 4 or 5pm, with an hour break at noon. However, the schedule may vary depending on circumstances. Each clinic is unique and we want to be sure everyone gets the most out of the experience.

We look forward to having you at the ranch!
